

ALL PATHS LEADS TO INDIA(Tourism pg title)

INTRO PART:

Stuck in work life,Get in fun life !!!!!

The main motto of this website is for the promotion and development of tourism of **the Incredible** India. India is a nation of temples, monuments, history of great people, colorful dresses, good food, hundreds of languages and culture. One of the most awesome thing in India is that for every 10 mile there is a different language and culture. So why not look into the beauty of the old temples built without engineers instead of a modern skyscraper, why not take a look into the bravery of the ancient kings instead of the graphics made marvels, why not take a look into the real lives of people instead of netflexing at night. This website introduce into the world of an incredible vacation starting from the snows of jammu to the sands of kanyakumari, we got it all.
